

# Notice of Proposed Goal for the Participation of Disadvantaged Businesses

Department of Transportation Assisted Contracts, as required by Section 49 Code of Federal Regulations Part 26, The Cleveland Airport System hereby publishes a proposed overall goal for its Federal Aviation Administration (FAA) Disadvantaged Business Enterprise (DBE) Program, for the Cleveland Hopkins International Airport.

The proposed overall goal for the FAA Airport Improvement Program funded projects pertaining to Federal Fiscal Years 2023 through 2025 is 12.44%.

A public meeting will be held for consulting with stakeholders to obtain information relevant to the goal-setting process. The meeting will be:

July 29th, 2022 at 1 p.m.

FSS Building

5301 W. Hangar Road Cleveland, OH

Comments on the proposed DBE Goal will be accepted until 5:00 pm on July 31, 2022 and can be sent to the following:

Office of Compliance and Inclusion (OCI)

Cleveland Airport System

5300 Riverside Drive

PO Box 81009

Cleveland, Ohio 44181-0009
